SMITH contacted the NHPD to inform that earlier this month on 2/1/08, her neighbor TRITTON ran over her dog as a result of speeding/talking on his cell phone. SMITH explained that she never reported the accident to the NHPD and had entered into a verbal agreement with TRITTON that he would pay for the dog's vet bills. SMITH then explained that he provided TRITTON with a copy of the vet bill and he advised that will not pay it because it was too expensive. I explained to SMITH that because the accident was never reported to police immediately following, then a report couldn't be taken and added that this appears to be a civil matter. SMITH did not want me to attempt to make contact with TRITTON. SMITH then inquired about how go about getting the speed limit posted on her street. I informed SMITH that she would have to go through the town administrators in order make a proposal. I informed SMITH that the speed limit on her street is 30 mph. SMITH was concerned because TRITTON appears to always be speeding on her street. SMITH provided a description of TRITTON's vehicle (a dark-grey colored BMW SUV). I informed SMITH that I would bring the matter to the rest of the NHPD so we could conduct directed patrols.

I came in to work this morning and checked my voice mail. I was surprised to see that my mailbox was full. As I listened to the messages I understood why it was full. Jeffrey Yoffa had left a total of 6 messages. Each message had been left expressly for me and was marked as private. The messages were all left this morning at the following times: 0446, 0457, 0509, 0515, 0523, and 0646. Each one was a rambling message having something to do with J. Fuller. The messages totaled 1/2 hour. I did listen to all of them in their entirety to ensure that there was no emergency and to be sure further follow-up was not required. Jeffrey did not request a return phone call; instead he promised that he would call again on Wed. or Thurs. of this week. Due to the volume of calls and the fact that they were all left for me marked private I advised the Chief and on duty officers of the calls. They have been copied in the event they may be needed later.

Upon entering the Police Department and checking my voice mail, I found my voice mailbox to be full. All but one message was from Jeffrey Yoffa. This is the second time in three days that an employee of the North Hampton Police Department has found their voice mailbox full with J. Yoffa's rhetoric, which has no bearing to this Police Department or the Town of North Hampton. It is believed that Jeffery Yoffa has mental health issues. These messages have been recorded.

Call Taker: P016 - MIEHLE, JESSICA

Location/Address: [NOH 51] NORTH HAMPTON POLICE DEPARTMENT - 233 ATLANTIC AVE

Calling Party: YOFFA, JEFFREY A LYNN, MA 01902

I checked my voice mail this morning and had a message marked private from Jeffrey Yoffa that was left at 0627 this morning. He sounded a bit upset and annoyed. He informed me that he had left 5 messages for Detective Cormier and he was suspicious that someone was tampering with the calls. He stated that he heard static and clicking on the line while he was recording messages for Cormier. He then went on to "briefly" describe what each of the 5 private messages had been about. He was insistent that "Officer Pete" should save the messages so he (Yoffa) could come here and listen to them to be sure that Cormier received "every word". He was also upset about the word "Nuisance". He then stated that if any of the messages had been tampered with he would be contacting the federal authorities and the FCC to report any violations. As I have done previously with Yoffa's calls, the message was sound recorded and transferred to the server so we have a permanent copy. I also contacted dispatch to see if they had received any calls today from Yoffa. So far this morning they have not.

Calling Party: YOFFA, JEFFREY A SWAMPSCOTT, MA 01907

Based on the level of phone call activity we have been experiencing involving Jeffrey Yoffa I decided to contact the Swampscott PD the town he typically calls from. The dispatcher was very familiar with Yoffa. I spoke to him briefly about our recent contact and he provided me with Yoffa's actual address. I was advised that the Lynn, MA address we had on file for him was actually a very old address and that he currently lives with his mother. I updated Yoffa's information in our system including his actual SSN#. I asked that the dispatcher have someone contact me regarding Yoffa so I could get further information. Later in the morning I received a phone call from a Swampscott Officer. He was very helpful and said we are seeing the same type of activity that they do. We exchanged appropriate information and will follow-up at a later date.
